WHEREAS, the County Engineer has evaluated and confirmed the feasibility of extending public sewer to the Properties and requested that the Talbot County Office of Law prepare this amendment to the CWSP to facilitate extension of public sewer thereto; and

WHEREAS, in accordance with the requirements of Md. Code Ann., Envir. § 9-506(a)(1)(i), the proposed CWSP amendment set forth herein has been submitted to the Talbot County Planning Commission (the “Planning Commission”), as well as the Talbot County Public Works Advisory Board, for review for consistency with planning programs for the area; and

WHEREAS, on _____, 2026, the Planning Commission certified that the proposed CWSP amendment set forth herein is consistent with the Comprehensive Plan as required by Md. Code Ann., Envir. § 9-506(a)(1)(ii).

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF TALBOT COUNTY, MARYLAND, that the Talbot County Comprehensive Water and Sewer Plan shall be and is hereby amended as follows:

SECTION ONE: The above recitals are hereby incorporated as if fully set forth herein.

SECTION TWO: Subject to the terms and conditions herein, the CWSP is amended to reclassify and remap the Properties from “Unprogrammed” to “S-1” Immediate Priority Status, as shown on the map attached hereto as Exhibit A and incorporated herein by reference as if fully set forth.

SECTION THREE: Sewer service for the Properties shall be from the Region II Wastewater Treatment Plant. The proposed sewer extension shall be designed and constructed in accordance with the current Region II Service Policy and design guidelines.

SECTION FOUR: The Properties are hereby each granted an allocation of one (1) equivalent single-family dwelling (“EDU”) of sewer capacity. The peak flow allocation to each Property shall be limited to two hundred fifty (250) gallons per day per EDU.

SECTION FIVE: Connection to the force main shall not be used to accommodate further subdivision of any of the Properties as existing when this Resolution is adopted without further amendment of the CWSP duly approved by the County Council.

SECTION SIX: Each of the Owners shall be responsible for contracting and paying for all required permits, easements, construction work, and all benefit and connection charges for their respective Property in accordance with a Public Works Agreement (“PWA”) approved by the County. The PWA for each Property shall run with and bind the Property served and shall be filed among the Land Records of Talbot County, Maryland within sixty (60) days from the date of approval of the building permit.

SECTION SEVEN: Each of the Owners shall be responsible for paying a connection fee as defined for the Region II Wastewater System before commencing construction to connect their respective Property to the force main. Such connections shall be subject to periodic charges, tariffs, and policies as may be adopted from time to time.

SECTION EIGHT: Each of the Owners shall be solely responsible for all costs incurred for design, engineering, construction, inspection, and testing that may be reasonably required, as determined by the County Engineer, to connect their respective Property to the force main, including, without limitation, any material, pumps, saddles, or other equipment, and for all costs incurred for ongoing maintenance and repair.

SECTION NINE: No water or sewer service shall be available to any area beyond the existing Properties to be served. No other properties, lots, or parcels, including any future reconfiguration or recombination of any of the Properties, shall be entitled to service or capacity, unless and until the CWSP is amended to permit such service.

SECTION TEN: The design shall be consistent with the design standards for similar projects in the Region II Service Area, shall be subject to review and approval by the County Engineer, and shall include design features, components, and materials as the County Engineer or their designee may reasonably require, including the ability to isolate the connection.

SECTION ELEVEN: Each of the Owners shall be solely responsible for all remediation, mitigation, damages, charges, fines, penalties, or other costs imposed, levied, or assessed at any time by any federal, State, or local enforcement agency for any environmental damage or violation of law caused by or resulting from their respective Property's connection to the force main. The Owners shall indemnify and hold the County harmless from and against all such claims, actions, suits, damages, losses, or expenses, of any kind, nature, or description whatsoever.

SECTION TWELVE: This Resolution shall not modify, excuse, or supersede any other requirements for ongoing compliance with all applicable federal, State, and local statutes, ordinances, rules, or regulations, including without limitation all conditions and requirements of all permits and approvals necessary for connection to the force main.

SECTION THIRTEEN: This Resolution shall take effect immediately upon the date of its adoption.
