Public comment is not a debate. It is not a question and answer session. It is not a discussion. It is not a conversation. If, after a public comment, a member of the BOE wishes to clarify by question, that is possible. With that in mind, the BOE thanks the public for your interest, welcomes the public to speak and requests that anyone who would like to speak please state your name for the record.

Unless otherwise set forth on this Agenda, the Board intends that all known items of business or topics to be discussed shall be open to the public, however; circumstances may arise which may require the Board to close a portion of the meeting.
