NOTES/DRAWINGS:

RESURFACING OVER ENTRANCE CULVERT: I have been advised by the Talbot County Roads Department that the culvert at the entrance of the property described in this permit potentially needs to be repaired/replaced, and it is not being done at this time. My signature indicates that I accept responsibility to any future expenses to my driveway.

SECOND ENTRANCE: Should the installation of a second entrance on a property interfere with regulations by another governmental agency (i.e. Talbot County Environmental Health, Planning & Zoning, Permits & Inspections, etc.), the removal of the entrance will be at the owner's expense.
