Page 6

1 bit what happened?

2 We know there was a plane crash, but you

3 guys are kind of somewhat heros. And you know,

4 we really value you doing something like that

5 to save people's lives in emergency situations

6 like that. That's for sure.

7 SPEAKER: We were just working. I

8 happened to look over. And the plane was going

9 down. We lost it behind the trees at the time

10 that we thought were probably 100 foot tall.

11 And coming back later and looking at it, they

12 were about 15 foot tall.

13 MR. CALLAHAN: Wow.

14 SPEAKER: And we got over there, and the

15 plane was pretty much fully involved. And

16 luckily we -- I mean it was a lot.

17 We carried him away and got him away from

18 the fire and got everything stabilized and...

19 MR. CALLAHAN: At that stage, was the

20 pilot in there or was he coming out?

21 SPEAKER: He was out.

Page 7

1 MR. CALLAHAN: Was he?

2 SPEAKER: He had gotten himself out a

3 couple of feet maybe.

4 SPEAKER: Yeah. He was probably

5 three feet away. He was laying on the steel

6 that he crashed on. There were flames.

7 SPEAKER: As we got him away, I mean the

8 plane exploded.

9 MR. CALLAHAN: Wow.

10 SPEAKER: We felt the heat from the plane

11 explosion.

12 MR. CALLAHAN: Wow, wow. Council.

13 MS. PRICE: Well, you guys, it's amazing

14 what you all did.

15 So where do you work? You work at the

16 airport?

17 SPEAKER: No. We work for Barkers

18 Landing.

19 SPEAKER: Excavation.

20 SPEAKER: Excavation. And we just

21 happened to be in the area at the time. We

Page 8

1 were testing the fire line for the State Fire

2 Marshal. And we just wrapped that up and we

3 were putting the tools away in the truck when

4 we saw the plane.

5 MR. CALLAHAN: Did you actually see it

6 come down?

7 SPEAKER: Yes.

8 MR. CALLAHAN: Did you?

9 SPEAKER: Yes. If it wasn't for the

10 trees, we would have seen everything.

11 SPEAKER: Yeah. We heard the crash. And

12 I told him let's get in the truck and go. We

13 were probably eighth of a mile away.

14 SPEAKER: If that.

15 SPEAKER: From the time it crashed to the

16 time we got there, it was 30 seconds.

17 SPEAKER: Yes, seconds.

18 MS. PRICE: Thank goodness you were there.

19 Thank you so very much.

20 MR. PACK: Mr. Bridge, Mr. Hoffman, again,

21 just listening to your retelling of the story,

Page 9

1 I saw it first on the evening news. I think it

2 was channel 11 actually. And I said what did

3 we have a plane crash here in the county. Then

4 I looked at my e-mail and I saw more

5 information on it.

6 To meet you two, you need to know that

7 we're very proud of what you did. And you

8 should be very proud of yourself as well. I

9 mean to take that kind of action.

10 Do either of you have any kind of first

11 responder training at all?

12 SPEAKER: I used to be in the fire

13 department.

14 SPEAKER: I was in the district fire

15 department.

16 MR. PACK: Any of that old training,

17 anything kick in or you just...

18 SPEAKER: Couldn't explain it really.

19 MR. PACK: Just did it. Muscle memory

20 just went in there.

21 SPEAKER: Yeah. It just happened.

Page 10

1 MR. PACK: Thank you both very much for  
 2 what you've done. And I'm sure that the  
 3 gentleman also appreciate your bravery and your  
 4 heroism for going in there. Thank you very  
 5 much.  
 6 SPEAKER: Thank you.  
 7 SPEAKER: Thank you.  
 8 MR. CALLAHAN: Mr. Vice President.  
 9 MR. LESHHER: Just words of thanks. We are  
 10 fortunate and the pilot was fortunate to have  
 11 the right people in the right place at the  
 12 right time, that you had the presence of mind  
 13 to respond appropriately. So thank you.  
 14 MR. CALLAHAN: Yeah. Jack, would you like  
 15 to say a few words, please?  
 16 MR. PETTIT: I'm just here to echo what  
 17 has already been said. As a representative of  
 18 the airport, Micah wished to be here. I'm here  
 19 in his stead.  
 20 I could tell you as a pilot, I would love  
 21 to have these guys around me at all times.

Page 11

1 MR. CALLAHAN: I bet.  
 2 MR. PETTIT: It's amazing what they did.  
 3 And the fact that they acted so quickly and  
 4 without any concern for their own personal  
 5 safety is really commendable.  
 6 MR. CALLAHAN: It really is.  
 7 MR. PETTIT: So we're here to congratulate  
 8 you and thank you for all you've done.  
 9 SPEAKER: Thank you.  
 10 SPEAKER: Thanks.  
 11 MR. CALLAHAN: Once again, guys, your  
 12 instincts. I mean I wish people are a little  
 13 bit more like that in the instinct of going  
 14 right away. You only had seconds to deal with  
 15 that kind of stuff.  
 16 So I commend you guys. And I really  
 17 appreciate everything you've done. And I'm  
 18 sure the family and the gentleman -- it was a  
 19 gentleman?  
 20 SPEAKER: Yes.  
 21 SPEAKER: Yeah.

Page 12

1 MR. CALLAHAN: Does anybody know how he  
 2 is?  
 3 SPEAKER: Yeah.  
 4 SPEAKER: He's doing good.  
 5 MR. CALLAHAN: That's good.  
 6 SPEAKER: He had to get a couple of  
 7 different surgeries for his leg. His one leg  
 8 was broke, the other one...  
 9 SPEAKER: They were both broke.  
 10 SPEAKER: Yeah, they were both broke. But  
 11 the one had a --  
 12 SPEAKER: One had a compound fracture. He  
 13 had to get skin grafts.  
 14 Everything is good. He stood up when the  
 15 admiral from the Naval Academy came, he  
 16 actually stood up. So he's doing pretty good.  
 17 SPEAKER: He told them that's what he  
 18 wants to be, is a Navy pilot.  
 19 MR. CALLAHAN: Yeah. That's good.  
 20 So we have a few certificates here for  
 21 you, Mr. Councilman Vice President Leshher is

Page 13

1 going to give you. So if you come on up front,  
 2 that would be great.  
 3 MR. LESHHER: So again, thank you for your  
 4 service.  
 5 SPEAKER: Thank you.  
 6 MR. LESHHER: Thank you for your service.  
 7 SPEAKER: Thank you.  
 8 MR. CALLAHAN: Thank you, guys.  
 9 SPEAKER: Thank you.  
 10 SPEAKER: Appreciate it.  
 11 MS. PRICE: Thank you.  
 12 MR. PACK: Thank you so much.  
 13 MR. LESHHER: Turn around, face the camera.  
 14 We'll capture this for posterity, too.  
 15 SPEAKER: Thank you.  
 16 SPEAKER: Thank you.  
 17 MR. CALLAHAN: Thanks a lot, Jack, for  
 18 coming, too. I appreciate it. Okay.  
 19 Let's see. Next on the agenda, we have an  
 20 update from the Maryland Environmental Service.  
 21 Mr. Tom Ford, the acting manager and director.

Page 14

1 That's good.  
 2 MS. MORRIS: To get to your next slide.  
 3 MR. FORD: I'll mess it up.  
 4 MR. CALLAHAN: Tim, not Tom. I'm sorry.  
 5 MR. FORD: Good evening.  
 6 MR. CALLAHAN: Sorry about that. Welcome,  
 7 Mr. Ford.  
 8 MR. FORD: Well, thank you. Happy to be  
 9 here.  
 10 MR. CALLAHAN: Yeah, great.  
 11 MR. FORD: And on behalf of Dr. Glass,  
 12 really appreciate the opportunity to speak  
 13 today.  
 14 And more importantly, I'd just like to,  
 15 before I start, express my sincere appreciation  
 16 for the service of Steve Tomchesky. Steve  
 17 retired since the last meeting.  
 18 MR. CALLAHAN: Right.  
 19 MR. FORD: After 16 long years, he will  
 20 tell you, of service. And many, many more  
 21 years before that. He was a strong advocate

Page 15

1 for the Midshore partnership and just loved  
 2 what he was doing. And he'll be sorely missed.  
 3 I know he's been before the Council many, many  
 4 times. And he's a character. So he's hard to  
 5 follow. That's for sure.  
 6 If you've ever been to any of his events  
 7 over at the landfill, you'll know what I'm  
 8 talking about.  
 9 MR. CALLAHAN: Yeah. I know.  
 10 MR. STAMP: Staff does appreciate the  
 11 doughnuts before.  
 12 MR. FORD: Oh, yes.  
 13 MR. CALLAHAN: There you go.  
 14 MR. FORD: Mr. Lasako is here today. You  
 15 all know Gary. Gary is our project manager.  
 16 He's responsible for a lot of things for us.  
 17 He's an up and comer. And he runs both  
 18 landfills for us. And he was the supplier of  
 19 the doughnuts as well.  
 20 SECRETARY: Thank you.  
 21 SPEAKER: You're welcome.

Page 16

1 MR. FORD: Steve used to call it doughnut  
 2 diplomacy. All over the shore there's been  
 3 doughnuts deposited everywhere. So we do  
 4 appreciate that much.  
 5 See if I can get it right. There we go.  
 6 I did it.  
 7 So we usually start this with a quick  
 8 introduction to MES. I took those slides out  
 9 since we've been through this many times. But  
 10 for those folks that don't know who we are, and  
 11 I'm told on advice of counsel that we are an  
 12 independent State agency, not quasi.  
 13 And unlike our sister agencies in the  
 14 State, we're neither a policy organization, nor  
 15 are we a regulatory body. We're more akin to a  
 16 utility.  
 17 So we operate hundreds of wastewater  
 18 treatment plants in the State of Maryland. We  
 19 work with the State on many of our  
 20 environmental issues, including the important  
 21 port dredging projects. If you haven't been

Page 17

1 out to Poplar Island, by all means, we can  
 2 arrange for a tour. It's an incredible place.  
 3 And that's the mid harbor dredging area.  
 4 So we also run the upper harbor dredging  
 5 areas as well. I can't think of it. Dave's  
 6 Cove I think it is, area.  
 7 So long story short, we do a lot of things  
 8 in the state. I'm a representative of the  
 9 environmental operations group, which are the  
 10 solid waste management guys. My name, again,  
 11 is Tim Ford. And I'm the acting managing  
 12 director. And depending on how well I do on  
 13 the interview in another week or so, it may be  
 14 my first and only opportunity before you. So  
 15 I'll make the most of it.  
 16 MR. CALLAHAN: We wish you luck.  
 17 MR. FORD: Thank you. I appreciate it.  
 18 I'm not sure if it's luck, to be honest with  
 19 you. We'll see.  
 20 So the Midshore agreement. In 1992 or  
 21 1990s actually the four counties, or three

Page 18

1 counties at the time, in the face of change in  
 2 the regulations that required the counties to  
 3 close their old landfills, the old landfills,  
 4 this was with science, of course, and build new  
 5 landfills that were quite expensive, they had  
 6 the foresight to band together and use the  
 7 economies of scale in developing a landfill  
 8 that would service the upper three counties.  
 9 Later Kent County joined to become the fourth  
 10 county.  
 11 And then in return, each county agreed to  
 12 host a landfill for 20 years. And of course,  
 13 Talbot County was the first. That was the  
 14 Midshore One landfill over on Barkers Landing.  
 15 We have since closed that landfill and run the  
 16 Midshore Two landfill over in Ridgely. That  
 17 one is in its tenth year.  
 18 And we're already looking, and we'll talk  
 19 about it a little later, we're looking at  
 20 Midshore Three. We're not real original with  
 21 names, by the way. So One, Two, Three. That's

Page 19

1 about as complicated we want to get for a State  
 2 agency. So we are at Midshore Three. And that  
 3 will be near Centreville, Maryland, the  
 4 location for that.  
 5 Again, it's an 80-year solution. So all  
 6 four counties will host a landfill for 20  
 7 years.  
 8 That's pretty much what we've already  
 9 talked about.  
 10 So the Midshore One regional solid waste  
 11 facility, which is the most interest to the  
 12 county here, accepted waste from '91 to 2010.  
 13 And we now operate the homeowner dropoff area  
 14 at that location. So county residents can drop  
 15 off waste there.  
 16 It's funded by the Talbot County in a  
 17 transfer fee on the waste that is brought into  
 18 the transfer station there. And again, we are  
 19 contracted to operate that drop-off facility  
 20 through December 31, 2030.  
 21 So at that transfer station, we have

Page 20

1 received in the last fiscal year, October 2020  
 2 to March 2021, 20,963 tons total waste  
 3 received. Total tons of yard waste was  
 4 1,811 tons. And there were 13,297 customers at  
 5 the site. That translated to four \$5 punch  
 6 cards, 592 \$10 punch cards, and \$20 1,210, or  
 7 1,210 \$20 punch cards.  
 8 So obviously people are coming back, if  
 9 you do the math on that.  
 10 And again, we had 13,297 customers for the  
 11 year.  
 12 The solid waste received at the transfer  
 13 station, that total increased by 14 percent and  
 14 eight percent respectively compared to the same  
 15 period last year. Those were as a result of,  
 16 mostly likely, from the impacts from the  
 17 COVID-19 pandemic. It seemed like everybody  
 18 and their mother discovered their garage and  
 19 decided to clean it out. So we got an increase  
 20 in volume there from what we can only assume to  
 21 be that COVID impact.

Page 21

1 The housing starts were down, construction  
 2 was down, commercial waste was down. Those  
 3 were all coming from residential, for the most  
 4 part, residential folks and small commercial  
 5 haulers.  
 6 The yard waste received at the transfer  
 7 station is flat period over period. There  
 8 weren't any notable storm events. That's where  
 9 we really see a pick-up in yard waste.  
 10 That yard waste, by the way, is ground and  
 11 we use it at the landfill for road base and  
 12 cover material.  
 13 So as part of our agreement with the  
 14 county, and this isn't with all the four  
 15 counties, this is at no cost to the local  
 16 counties as part of the agreement, we manage  
 17 the closure for the Midshore One closure.  
 18 So under the regulations, when you close a  
 19 landfill, there's a closure period. You have  
 20 two years to close a landfill after you last  
 21 received trash. In our case, we were able to

Page 22

1 extend that a couple of extra years because we  
 2 had just started the new landfill and there was  
 3 a transition period.  
 4 But then after the closure period, once  
 5 you've capped it, then you have a 30-year post  
 6 closure period that you monitor that landfill  
 7 for a minimum of 30 years. And it could extend  
 8 beyond that. It all depends on what is going  
 9 on with the monitoring that we're doing.  
 10 The intent there is that that landfill  
 11 will remain under a monitoring period until  
 12 such time as it is deemed to be inert so that  
 13 any environmental impacts have been addressed  
 14 through natural attenuation over the years and  
 15 it is inert and safe to no longer monitor.  
 16 And I can tell you just judging  
 17 nationally, I don't know of any facility that  
 18 has closed after that 30-year period. I think  
 19 it continues. So it's likely to continue on  
 20 beyond the 30-year period.  
 21 These landfills, they use a closed tubing

Page 23

1 system they call it, a dry tube system. So  
 2 things degrade slowly within the landfill.  
 3 It's a liner that's -- so it's sealed,  
 4 hermetically sealed. And biological activity  
 5 is slowed. And so we'll see how it goes, but  
 6 we'll continue to monitor. That's our  
 7 obligation to whenever it is deemed to be  
 8 inert, in which case we'll no longer continue  
 9 monitoring but we'll own the facility and  
 10 continue to manage it.  
 11 All these old landfills have been  
 12 developed into open space over time. So that  
 13 is certainly within the realm of possibilities  
 14 for this site long term.  
 15 That landfill, by the way, is a unique  
 16 cover system. It is an exposed geo-membrane  
 17 landfill cover. So we didn't put any soil on  
 18 top of it. It reduced cost dramatically. And  
 19 in the event of some extreme emergency, you  
 20 could reuse portions of the landfill. Say you  
 21 had a hurricane come up the coast and we had to

Page 24

1 find a place to place additional -- I'm not  
 2 saying we're opening it again. I'm just saying  
 3 there's an opportunity to do so easily if,  
 4 indeed, you had to with that type of a cover.  
 5 I just talked about post closure care.  
 6 So we'll move on to Midshore Two. So in  
 7 that same period of time, we received  
 8 62,991 tons of trash, 2,535 tons of brush.  
 9 This was -- I made a mistake when I said fiscal  
 10 year. This was over that last period since we  
 11 last met. Thirty-three tons of scrap tires,  
 12 19 tons of mattresses were recycled.  
 13 And Holly Road homeowner drop-off, which is  
 14 open to all four counties, by the way, as part  
 15 of the agreement, had 1,100 tons.  
 16 Operations. We began fully operating in  
 17 cell three, the new cell that we constructed  
 18 last year. Well, two years ago, which opened  
 19 in 2020. And we're in the process of designing  
 20 the landfill collection, gas collection system.  
 21 And that will be completed by October 2021.

Page 25

1 So if we build this landfill, obviously  
 2 you tie in the headers that are collecting gas  
 3 and rolled into a central system. So at some  
 4 point, we'll bring in either a central gas  
 5 collection system, either a flare or some  
 6 energy use or some other technology to clean  
 7 the gas. There's always a possibility you can  
 8 clean it and compress it for use as well.  
 9 Markets dictate whether you do that or not.  
 10 Right now natural gas is pretty cheap. So  
 11 that's not the most cost effective way now, but  
 12 that may change over time.  
 13 So tip fees in our current fiscal year,  
 14 which is FY22, will remain unchanged. That's  
 15 the fourth consecutive year. Trash is tipped  
 16 in at \$67 a ton and brush is accepted at \$42 a  
 17 ton, and we have a tire surcharge. That's the  
 18 only thing we modified from the FY21 rates. I  
 19 don't know where that number is. Gary can fill  
 20 me on what the number is if you need to know  
 21 it. But that's the only thing that actually

Page 26

1 went up. Landfill tipping fees have remained  
 2 unchanged.  
 3 So Midshore Three. As I said, we're in  
 4 the planning stages. It's about a ten-year  
 5 process to permit a landfill. And we're in the  
 6 process of doing what we call a phase one  
 7 permit allocation. That's just the application  
 8 itself.  
 9 That will result in a public informational  
 10 meeting. That will be held sometime in the  
 11 next year once we file the application.  
 12 And then we go on from there to what is  
 13 phase two, which is all the geology work that  
 14 we do and the science piece of on that site in  
 15 terms of whether it's a suitable site for a  
 16 landfill.  
 17 This site happens to be next door to the  
 18 current or old Queen Anne's County landfill.  
 19 So it's not new to the neighborhood.  
 20 So in addition, there's a mirror agreement  
 21 with the four counties. And that is the

Page 27

1 Midshore Regional Recycling Partnership. And  
 2 several years ago, the four counties asked MES  
 3 to manage that as well. We currently fund it  
 4 through a surcharge on our tipping fees into  
 5 the landfill. It's a \$5 tipping fee. And that  
 6 funds the Midshore Regional Partnership,  
 7 particularly the collection sites that are  
 8 throughout the four counties.  
 9 We took delivery of a new front-end loader  
 10 truck. These are the trucks that we use to  
 11 pick them up, pick up the front of the cans.  
 12 You see them all over the place. They pick up  
 13 an eight-yard can. And those are the types of  
 14 cans you see at the recycling facilities.  
 15 What we collected in that October to March  
 16 period, 265 tons of mixed metal and plastic,  
 17 390 tons of mixed paper, 495 tons of cardboard,  
 18 and 466 tons of glass. These materials are  
 19 source separated when they're picked up. So  
 20 you may hear stories about single stream  
 21 recycling, what happens to glass in those

Page 28

1 recycling systems.  
 2 But in this particular case, the glass is  
 3 separated by color. And it's easy to recycle  
 4 it. And it is sent to a recycler near  
 5 Pittsburgh called Cap Glass. And it is truly  
 6 recycled. It's not used as landfill cover or  
 7 road base. It goes back into glass  
 8 manufacturing. The same goes for the other  
 9 products. They're all truly recycled.  
 10 We also have a, with MDE, we have a  
 11 contract with them to run the Statewide used  
 12 oil collection system. And we have locations  
 13 within Talbot County that are monitored and  
 14 maintain those sites. There's six of them in  
 15 the county. And we collect used oil there and  
 16 that's recycled.  
 17 It is actually sent to a refinery that  
 18 manufactures a base lube. So it goes back in  
 19 and becomes the reason it was intended for, and  
 20 that is a base lube for your automobiles.  
 21 We'll see what happens with electric cars down

Page 29

1 the road, what they're doing with oil at that  
 2 point.  
 3 Steve was a big promoter of community  
 4 involvement. He had -- we were and still are  
 5 very active with the Ridgely Lions Club. We  
 6 support the Waterfowl Festival. We're big  
 7 believers in community, giving back to the  
 8 community.  
 9 And in this case, we participated in the  
 10 project Clean Stream at Easton Point Marina.  
 11 We put out recycling cans for them when they  
 12 were doing the cleanup there. So we managed  
 13 their recycling piece of that.  
 14 And with that, I think we'll open it up  
 15 for questions.  
 16 MR. CALLAHAN: Okay. Council.  
 17 MR. FORD: Did I do okay?  
 18 MR. CALLAHAN: Yeah. You did great.  
 19 We'll put a good word in for you. That's for  
 20 sure.  
 21 MR. FORD: Dr. Glass, we'll give you his

Page 30

1 e-mail address.

2 MR. CALLAHAN: Okay, okay.

3 MR. PACK: The Region Two landfill right

4 now is in its tenth year of operation. But as

5 far as its capacity, where is it as far as

6 capacity? Is it at 50 percent currently or

7 below?

8 MR. FORD: It's below. We have a

9 considerable amount of excess capacity there.

10 These things are hard to guess at in terms

11 of the size. When they began the design piece

12 of this, there were certain projections

13 regarding what the population would be like,

14 how much trash would be generated per capita.

15 Recycling was different then than it is now.

16 Recycling certainly has a huge impact on

17 volumes.

18 So we overdesigned it, for lack of a

19 better word, the capacity for that site. And

20 we still have almost 20 years of additional

21 life when we close the landfill. So there's

Page 31

1 additional capacity there.

2 It's a political matter in terms of what

3 the counties want to do or what Caroline County

4 wants to do with that site long term.

5 We are the -- we will do what is expected

6 of us. If that is open up Midshore Three on

7 time when we are supposed to do so, we will.

8 If the counties decide that they want to

9 continue to maintain operations and make some

10 sort of business arrangement with the county to

11 do so, we'll do that, too.

12 MR. PACK: How many cells are constructed

13 out there?

14 MR. FORD: So we're on cell three. The

15 numbers are strange. We didn't go in order. I

16 don't know why that was. We didn't go one,

17 two, three, four. It went four, two, and

18 three. And we may have one more cell to

19 construct. We're still working through the

20 math on that.

21 You do an aerial survey at the end of each

Page 32

1 fiscal year. You look at how much air space.

2 Air space is what is remaining to fill. You

3 look at the compaction rate. You make guesses

4 about how much capacity you think you have. We

5 think we have enough capacity without having to

6 build another cell. But we've prepared to do

7 so if we need to.

8 That will not be a bond issue. We'll have

9 to self-finance that when the time comes.

10 There's no way we're going to get a bond for

11 what will be three years of operations if that

12 is the case.

13 MR. PACK: One more question. If you

14 still have excess life left in Region Two, when

15 should the counties have that conversation?

16 MR. FORD: We need to have it soon.

17 MR. PACK: I think so.

18 MR. FORD: We're in the middle of the

19 permitting side. When we get to phase two, we

20 start to really spend some money.

21 MR. PACK: Right.

Page 33

1 MR. FORD: On the permitting piece.

2 But more importantly, that not so much the

3 arbiter in terms of when we, when that drop

4 dead date is. What that drop date will be is

5 when we get to the point at Midshore Two when

6 we have filled the current cell three to a

7 point where we then start to need to either

8 make a decision on building another cell or

9 start to mold the cover, the top of that

10 landfill, filling in the areas between the

11 three cells that are already filled and then

12 bringing the remaining cells up to their

13 permanent capacity.

14 Once we do that, we are at a point of no

15 return. We've built that landfill at that

16 point to the design consideration. And it

17 would be awfully hard to add another landfill

18 cell. We could do it, but it would be harder.

19 MR. PACK: Do you lead that --

20 MR. FORD: That's five years.

21 MR. PACK: Do you lead that conversation

Page 34

1 with the counties? Should Caroline take the  
 2 lead on that conversation?  
 3 MR. FORD: I don't know. That's a  
 4 political decision.  
 5 My opinion, my personal opinion would be  
 6 that's certainly within the -- I mean that's  
 7 the responsibility -- not the responsibility.  
 8 That's the right of Caroline County. It is  
 9 their county.  
 10 MR. PACK: My last point, I just want to  
 11 say thank you. I'm just looking at the picture  
 12 here of the recycled oil bins. And I know that  
 13 Steve, he worked very closely with Preston, our  
 14 director of Parks and Recreation, at some of  
 15 our recycling bins down in the Bay Hundred  
 16 area. People were laying things about, and  
 17 they weren't as tidy as they should be. And  
 18 Steve came in and worked with Preston to get  
 19 those areas cleaned up. They look fine now.  
 20 So I just want to thank you guys for  
 21 working with him.

Page 35

1 MR. FORD: And we'll continue to do that.  
 2 That's always a problem with any of the  
 3 drop-off locations, particularly if they're not  
 4 monitored. So people get frustrated when they  
 5 get there and they find that they can't put  
 6 what they wanted to put inside the bin. So  
 7 they'll leave it on the outside of the bin.  
 8 We try, we do our best to clean that up.  
 9 And we work with the counties to make sure that  
 10 those are policed and those sites are clean  
 11 because we don't want it to become a public  
 12 nuisance. We don't want the neighbors to be,  
 13 to have a problem with what we're doing there.  
 14 So we'll work with anybody we need to.  
 15 MR. PACK: Appreciate it. Thank you.  
 16 MS. PRICE: My question follows up on what  
 17 Corey was talking about with whether it changes  
 18 from Caroline to Queen Anne's County and the  
 19 need for whether they would allow a new  
 20 landfill to open if there's existing capacity  
 21 at wherever it is.

Page 36

1 MR. FORD: From a regulatory point of  
 2 view?  
 3 MS. PRICE: Pardon me?  
 4 MR. FORD: From a regulatory point of view  
 5 you mean? Yes.  
 6 MS. PRICE: I mean you hear a lot about  
 7 they don't want to allow new landfills to open.  
 8 So kind of my question is is it the  
 9 county's choice? It is Caroline's choice? If  
 10 they don't want to run it anymore after 2030,  
 11 yet there's still existing capacity, with the  
 12 regulations, might they be forced to continue  
 13 to run it there until it has reached its  
 14 capacity?  
 15 MR. FORD: I can't speak for what the  
 16 regulations will be in five to ten years.  
 17 But the way the regulations are now, we  
 18 can open up a new landfill and permit it and  
 19 they can close that landfill as is.  
 20 The capacity piece of it, remember, if we  
 21 redesign the final cells in the final

Page 37

1 configuration of that landfill, we're reaching  
 2 capacity for that landfill. There's no  
 3 additional. It doesn't really matter. It's  
 4 empty space, right.  
 5 It's not like it's been built and you  
 6 can't fill it at that point.  
 7 MS. PRICE: So there could be capacity  
 8 there. So in theory at some point, you could  
 9 come back and finish the full area. If they  
 10 say use 70 percent of it or whatever, there'd  
 11 still --  
 12 MR. FORD: Down the road it will. They'd  
 13 have to re-permit it at that point because the  
 14 landfill would be closed and it would require a  
 15 new permit. Just as if we wanted to do  
 16 something at Midshore One, you'd have to  
 17 re-permit it.  
 18 MS. PRICE: That could be 20 or 40 or 60  
 19 years down the road.  
 20 MR. FORD: It could be, yeah, or not,  
 21 right.

Page 38

1 MS. PRICE: Thank you.

2 MR. LESHER: You spoke about the methane

3 gas collection system. And obviously it's a

4 powerful greenhouse gas. You've got to do

5 something with it, whether you're flaring it

6 off or you're collected it, whether you're

7 combusting it and using it. And I know that

8 that has been done at least in the past at

9 Midshore One at the Talbot County site.

10 I'm curious whether -- but I know that it

11 tapers off with time, the amount. And at some

12 point in becomes not a marketable commodity.

13 Where at we on that at Midshore One?

14 MR. FORD: Well, we work with Easton

15 Utilities. They own the gas generator there.

16 And they've elected for business reasons to

17 discontinue that. It was not economical for

18 them to continue to operate it, not so much

19 that the gas was falling off. But if you look

20 at what the price of electricity is and the

21 cost to run that, they did the economics on it

Page 39

1 and that was their decision.

2 So we can continue to flare it. So we are

3 capturing the gas there. We have a cover on

4 top.

5 It's easier, by the way, with an exposed

6 geo-membrane cover to monitor that landfill

7 cap. You know if you have a leak in it, as

8 opposed to a cover with two foot of soil on top

9 of it. You wouldn't necessarily know.

10 The regulations, by the way, are changing

11 for landfill gas systems that are at landfills.

12 We already have a collection system at Midshore

13 One, but we're not required by regulation to

14 have a landfill gas collection system at

15 Midshore One because of its size.

16 Under the new regulation that's proposed,

17 that will change and that would have been

18 required for that landfill. We would have had

19 to put in a gas collection system had we not

20 had the foresight to do so years ago.

21 But we continue to flare it. And we get

Page 40

1 carbon credits for that. So there are carbon

2 credits that we use to offset our operating

3 costs for the Midshore as well. The Midshore

4 system they call it. The costs are all

5 involved. So we do get carbon credits for that

6 flaring operation.

7 MR. LESHER: Thank you.

8 MR. CALLAHAN: Okay. Well, Mr. Ford, I

9 appreciate everything. And you did a great job

10 with the presentation. So wish you luck.

11 MR. FORD: Well, thanks.

12 MR. CALLAHAN: I think you're going to do

13 just fine.

14 MR. FORD: Thank you.

15 MR. CALLAHAN: Anything else, Council?

16 MS. PRICE: Thank you very much.

17 MR. FORD: Great. Thank you.

18 MR. PACK: Thank you.

19 MR. CALLAHAN: Okay, Council. The next

20 thing is a presentation of Chesapeake College.

21 Dr. Cliff Coppersmith is coming up and give his

Page 41

1 brief on the budget.

2 DR. COPPERSMITH: Mr. President, Members

3 of the Council, it's a pleasure to be with you.

4 I've done this is my second one of these

5 in the last couple of weeks. And it's just

6 great to be in front of you again. It feels a

7 little bit like normal, although I know we're

8 still quite a ways away from that being a

9 permanent situation.

10 MR. CALLAHAN: Yes, sir.

11 DR. COPPERSMITH: I'd like to introduce

12 our relatively new vice president for

13 administrative services, Karen Smith.

14 MR. CALLAHAN: (Inaudible).

15 MS. SMITH: Thank you.

16 DR. COPPERSMITH: Been with the college

17 for quite some time. We're really happy to

18 have her in this role. She's doing a great

19 job.

20 And finally, I'd like to recognize our

21 Talbot County representative from the Board of

Page 42

1 Trustees, Mr. Reza Jafari, who is sitting  
 2 behind me. It's wonderful to see him this  
 3 evening.  
 4 MR. CALLAHAN: That guy is a big deal back  
 5 there. He is.  
 6 DR. COPPERSMITH: My prepared comments are  
 7 very brief this evening.  
 8 You obviously have our request in front of  
 9 you. As a result of basically unforeseen  
 10 increases in the State ongoing funding as a  
 11 result of the passing of the (inaudible)  
 12 funding formula and budget reconciliation and  
 13 financing act for fiscal year 2022, we had an  
 14 additional alignment of funding from the State  
 15 of over \$895,000 in ongoing funding for the  
 16 college, which, of course, was very welcome.  
 17 So as a result, we had to revise our  
 18 budget, and that's why we're coming to you this  
 19 evening for county approval of that revised  
 20 budget, which you have in front of you.  
 21 In addition, we have a number of projects

Page 43

1 that are much needed for the college to prepare  
 2 us for the return to business to be well  
 3 positioned to serve our students better over  
 4 the next several years. And that fund balance  
 5 request is in a total amount of \$1.2 million,  
 6 in which you have the details of those projects  
 7 in front of you.  
 8 They deal with some longstanding issues we  
 9 have with our website, which is very dated, is  
 10 pretty hard to use, and is the first place our  
 11 students find us. And so we're anxious to get  
 12 that fixed, along with re-branding and  
 13 re-logging (sic.) the college, which it's also  
 14 time for that.  
 15 And because of the need for a revised  
 16 website, doing them both at the same time is of  
 17 essence.  
 18 We're also going to digitize our student  
 19 records. That is something that's been long  
 20 due. We're the last community college that  
 21 we're aware of in the State of Maryland that

Page 44

1 has not done that. It also will help us be  
 2 more responsive to our students to have those  
 3 records digitized.  
 4 We'll begin with our current records and  
 5 into the future and then come back for probably  
 6 additional funding for digitizing our  
 7 historical records going back to the original  
 8 foundation of the college, which are still  
 9 paper.  
 10 And then finally, we're doing some just  
 11 regular good old maintenance on our Learning  
 12 Resource Center, including paint, carpet, and  
 13 furniture. And this, of course, requesting  
 14 this fund balance request is in lieu of asking  
 15 the counties for support of that maintenance  
 16 effort.  
 17 So with that, that's our request. And I  
 18 am open to any questions or comments you might  
 19 have for me. And also, I could call upon Karen  
 20 if she can help us with anything in detail that  
 21 I am not able to answer.

Page 45

1 MR. CALLAHAN: Okay. Council.  
 2 MR. PACK: I'm good.  
 3 MR. CALLAHAN: You good.  
 4 MS. PRICE: So with the question that I  
 5 have is always we want to increase salaries and  
 6 all of that and reward our employees. When you  
 7 get -- my question is is this a one-time bounce  
 8 from the State through (inaudible) and if you  
 9 don't get it next year, what could you do to  
 10 pay for the salaries aside from coming to the  
 11 counties to ask to make up that funding?  
 12 DR. COPPERSMITH: Well, this particular  
 13 funding is ongoing. So that's a permanent  
 14 addition to the budget. And that's the only  
 15 reason why we could entertain a request or a  
 16 proposal to increase our salaries. That would  
 17 require ongoing funding, from which this is  
 18 permanent, ongoing.  
 19 MS. PRICE: Very good. That's the right  
 20 answer to my question.  
 21 MR. CALLAHAN: Okay.

Page 46

1 MR. LESHHER: I have no questions.  
 2 MR. CALLAHAN: I don't, either. So okay.  
 3 Is there a motion and a second it to  
 4 approve the college request submitted?  
 5 MR. LESHHER: I so move.  
 6 MR. PACK: I'll second that.  
 7 MR. CALLAHAN: Madam Secretary, could you  
 8 call the roll, please.  
 9 SECRETARY: Mr. Callahan.  
 10 MR. CALLAHAN: Aye.  
 11 SECRETARY: Mr. Leshher.  
 12 MR. LESHHER: Aye.  
 13 SECRETARY: Ms. Price.  
 14 MS. PRICE: Aye.  
 15 SECRETARY: Mr. Pack.  
 16 MR. PACK: Aye.  
 17 DR. COPPERSMITH: Mr. President, thank you  
 18 very much. As always, we appreciate the  
 19 support of our county and the resources that  
 20 were given to do what we do. And we are  
 21 grateful for your support.

Page 47

1 MR. CALLAHAN: We're here to help you guys  
 2 and to support you, as you know. Any time you  
 3 need anything, you come to us because we're a  
 4 team and we're there for you.  
 5 DR. COPPERSMITH: Thank you very much.  
 6 MS. SMITH: Thank you so much.  
 7 DR. COPPERSMITH: Have a great evening.  
 8 MR. PACK: Thank you.  
 9 MR. CALLAHAN: Okay. Next thing on the  
 10 agenda is introduction of legislation. So at  
 11 this time, I would ask Madam Secretary to read  
 12 the bill into the record, please.  
 13 SECRETARY: A bill to establish the annual  
 14 salary of the sheriff for Talbot County to  
 15 become effective for terms beginning in and  
 16 after 2022.  
 17 MR. CALLAHAN: Thank you, Madam Secretary.  
 18 Okay.  
 19 Can I please raise your hand if you would  
 20 like to introduce the legislation?  
 21 MR. PACK: Any discussion on it?

Page 48

1 MR. CALLAHAN: We'll have time next  
 2 meeting, if that's okay. Is that okay?  
 3 MR. PACK: Yup.  
 4 MR. CALLAHAN: Okay. Madam Secretary,  
 5 could you please announce the bill number and  
 6 the public hearing date and time, please?  
 7 SECRETARY: Yes. This will be known as  
 8 Bill Number 1492. And the public hearing is  
 9 scheduled for this room on Tuesday,  
 10 August 24th, at 6:30 p.m.  
 11 MR. CALLAHAN: Sounds great. Okay.  
 12 Up next, we have an update from Economic  
 13 Development and Tourism. Cassandra Vanhooser,  
 14 the director, and her team.  
 15 MS. VANHOOSER: And her team.  
 16 MR. PACK: Her team.  
 17 MS. VANHOOSER: That's right. Well,  
 18 Mr. President, thank you so much for having us,  
 19 Council Members. Always great to see you.  
 20 It's always good to be here to give an update  
 21 on economic development and tourism.

Page 49

1 Now, this is not my first appearance  
 2 before you today. So I'll try to be brief and  
 3 get us all home in time to see the softball  
 4 game tonight for the Olympics. But I do have a  
 5 few things that I think are important that I  
 6 want to share with you.  
 7 And of course, we have already spent that  
 8 time together today talking about the Easton  
 9 Shore Recovery Project. I would encourage you  
 10 to go into those tools and examine them and  
 11 give feedback, as we discussed earlier. And I  
 12 would invite the public to do that as well.  
 13 We have, this is our halftime report. And  
 14 we have a whole lot more work to do on that  
 15 project. But as I said earlier, I'm very, very  
 16 excited. This will help us and you understand  
 17 the business community better and position us  
 18 to better respond to crisis situations that  
 19 occur in the future. And we hope and pray that  
 20 business disruptions are minimal here on the  
 21 Eastern Shore. But when they do happen, we

Page 50

1 want to be ready.

2 And the Eastern Shore recovery project is

3 an exciting step and I will say a giant leap

4 forward for us in Talbot County. And I will

5 give that website. It's

6 recovery.delmarvaindex.org. And we will post

7 our press release on the website, the county

8 website, and on the economic development site

9 so that anyone who is interested can go and

10 examine those tools.

11 Now, the economic recovery is on in many

12 business sectors, and we continue to be with

13 businesses that are expanding and prospering

14 here in Talbot County. And we have businesses

15 growing literally in every corner of the

16 county.

17 When I give these reports, I'm very

18 careful not to reveal confidential information.

19 But some of the notable successes include the

20 expansion of Whitman Wharf Seafood to the

21 former Phillip's Wharf property in Tilghman,

Page 51

1 the reopening of the Tilghman Island Inn, the

2 development of Ferry Cove Oyster Hatchery in

3 Sherwood, the purchase of the Market House in

4 Easton, and the development of that million

5 dollar kitchen that's coming up by

6 Spurry-Curran and Associates, the transition to

7 new owners of the Oxford Inn, and the expansion

8 of Composite Yachts in Trappe. So as you can

9 see, there's really exciting projects going on

10 all around the county.

11 And I really look forward to the day that

12 we can get you out and show you some of these

13 projects because I know that you'll be

14 impressed with what's going on.

15 Now, while business is booming for many in

16 Talbot County, the effects of the pandemic are

17 lingering for some business sectors. And the

18 ones that, Corey, you had asked this earlier,

19 the ones that we're hearing the most from are

20 personal services, like hair stylists and

21 massage therapists because some people just

Page 52

1 haven't come back into that space yet. And

2 those people, of course, are experiencing the

3 same workforce problems that others have

4 experienced. So we're keeping a close eye on

5 those where we're hearing that people are

6 having difficulty.

7 And I know you probably never want to hear

8 the word grant again, but I wanted to share

9 that my team has successfully completed all the

10 State grants from the Maryland Department of

11 Commerce and from the Maryland Department of

12 Health and Community Development.

13 And I would just share. I've got all

14 kinds of numbers, but I just want to give you

15 this number. We've given out 112 new grants.

16 And this is since I was here before and

17 reported on all of our grants. And that's for

18 a total of \$545,350.89.

19 Now, that brings us up to, since June of

20 last year, my small department, my team, has

21 given out \$3.158 million in grants. And we

Page 53

1 have reinvested that money into the business

2 community. That is significant.

3 And those have all been in small

4 increments. None of them over \$10,000. But we

5 have been able to help restaurants and hotels

6 and motels and non-profits. We just finished

7 with the help -- and all of that was with the

8 help of the Finance Office. I must say that

9 we've been working with them one on one and Joy

10 has had to come in and help us finish that

11 project up.

12 But we've been able to help some of the

13 nonprofits with this new grant. And so we have

14 successfully done all of those.

15 And so I asked my staff to try to populate

16 the room so I would have an audience, of

17 course. But I asked my staff to join me here

18 tonight because I want you to meet the people

19 behind the scenes so that they can get credit

20 for the vital service that they've given during

21 this pandemic.

Page 54

1 And I have a new employee that I want you  
 2 to meet. So I'll start with Krista Boothby.  
 3 Krista comes to us from -- you want to say  
 4 hello.  
 5 MS. BOOTHBY: Hi.  
 6 MS. VANHOOSER: Krista comes to us from  
 7 Lynchburg, Virginia. And our most asked  
 8 question that we get in the Visitors Center is  
 9 what's the best place to eat. And the short  
 10 answer is so many restaurants, so little time.  
 11 But in a few short weeks, Krista has developed  
 12 a restaurant guide for Talbot County that's  
 13 about to go to print. And this will be a  
 14 companion piece to the brand new destination  
 15 guide that we produced this year with our  
 16 partners, Chesapeake Bay Magazine.  
 17 And it has no listings. It's aspirational  
 18 content. So that restaurant guide is going to  
 19 be key to serving our visitors and getting them  
 20 to the restaurants. And if you haven't seen a  
 21 copy of our guide, you need to get a copy of

Page 55

1 that. It's I think our best yet. And we were  
 2 able to successfully produce that while we were  
 3 doing all the other things in the first part of  
 4 this year.  
 5 Pam Keaton is the department's content  
 6 creator. Pam's in the back row. During the  
 7 pandemic and even now, she spends part of every  
 8 day making sure that our resources are both  
 9 relevant and up to date. She also worked with  
 10 our web developer to create online submission  
 11 forms for all of our grants.  
 12 Only those applicants who had computer  
 13 issues were unable to apply online. And that  
 14 is significant for a small team to be able to  
 15 pull off an online application. And we have  
 16 maintained that constant flow of information to  
 17 the public about Talbot County businesses with  
 18 monthly newsletters, blog posts, and social  
 19 media posts.  
 20 Candace Harris is my right hand and she  
 21 anchors our Visitors Center and oversees the

Page 56

1 day-to-day operations of the department. But  
 2 she, too, has gone above and beyond the call of  
 3 duty to help people with their applications.  
 4 And often I'll come out and see somebody  
 5 sitting there with her helping them fill out  
 6 their final reports. And as we were taking  
 7 applications, helped people to fill out their  
 8 applications. And she is the very definition  
 9 of an unsung hero.  
 10 And Mary Lou Russ, of course, only works  
 11 part time with us. Unfortunately, we've  
 12 offered her a full-time job multiple times.  
 13 But she, too, has been a companion with the  
 14 grants.  
 15 And all of our grant recipients have  
 16 received an electronic grant agreement from us  
 17 via DocuSign. And interestingly, no one had  
 18 any problems signing the grant agreement  
 19 because you can't get your money until you sign  
 20 it.  
 21 But we have a signed agreement from every

Page 57

1 one of those thanks to Mary Lou. And we did it  
 2 all electronically. She also does the lion's  
 3 share of the work on the tourtalbot.org website  
 4 and makes sure that the events are current and  
 5 new businesses have a spot online.  
 6 So again, I just wanted for them to know  
 7 you and you to know them. Because, indeed,  
 8 they say it takes a village. Together we five  
 9 are the Talbot County Department of Economic  
 10 Development and Tourism, and we're dedicated to  
 11 the health and prosperity of the business  
 12 community.  
 13 And one last thing. I will note that your  
 14 walls are looking a little bare. And I'm sorry  
 15 that I had to take your artwork away, but  
 16 that's okay because that project has come to a  
 17 completion. The Plein Air ag collection is now  
 18 hanging at the Academy Art Museum. It's the  
 19 featured exhibit for the month of July.  
 20 We had a wonderful reception last week.  
 21 And in the week before that during Plein Air,

Page 58

1 we hosted a dinner for about 200 people, both  
 2 connecting the farm community and the artists.  
 3 And we had Maryland Public Television here  
 4 doing a story for Maryland Farm and Harvest.  
 5 We also added five new paintings. So they  
 6 don't fit in here anymore anyway. And they  
 7 will not be returning because that collection  
 8 was designed to travel. And so we are making  
 9 plans for it to appear at other places so that  
 10 we can share the news of agriculture on the  
 11 Eastern Shore; the significance, the  
 12 importance, and help people learn about what  
 13 the story that those paintings tell. So we're  
 14 very proud of that collection. And we're sorry  
 15 we robbed you of it.  
 16 But the good news is I'm working with a  
 17 local framer here who we're going to pull some  
 18 images from our collection of more than 8,000  
 19 images. So we'll be bringing back the beauty  
 20 of Talbot County to your walls here.  
 21 So with that, I am going to stop and

Page 59

1 entertain any questions you have or defer to my  
 2 chairman, Mr. Jafari, and see if he has  
 3 anything he'd like to add.  
 4 MR. JAFARI: Just a very quick point.  
 5 You have seen Cassandra Vanhooser as the  
 6 director of Economic Development and tourism  
 7 coming before you, Mr. President and Members of  
 8 the Council, to report. She's a very modest  
 9 person.  
 10 Everything that she's doing, in other  
 11 counties and other communities that I'm  
 12 familiar with, is being done normally by three  
 13 to four times number of staff that is being  
 14 done.  
 15 One thing that is very noticeable, at  
 16 least from where I sit, that is the  
 17 communication with the business community.  
 18 Throughout the entire COVID period, the monthly  
 19 meetings of the Economic Development Commission  
 20 was held through Zoom. So we continued our  
 21 work, continued our communication, continued

Page 60

1 our cooperation and collaboration between  
 2 members of the economic development.  
 3 Of course, some of you, Mr. Stamp, you  
 4 participated. Mr. President, you participated  
 5 yourself. So you know, again, the  
 6 communication has been ongoing. And that has  
 7 been very, very beneficial and very fruitful  
 8 and appreciated by the entire business  
 9 community.  
 10 So that's what I wanted to add and thank  
 11 Cassandra and the team for the great work  
 12 they've done.  
 13 MS. VANHOOSER: Thank you.  
 14 MR. CALLAHAN: Thank you.  
 15 MS. VANHOOSER: Questions?  
 16 MR. CALLAHAN: Council?  
 17 MS. PRICE: Just add, I was just going to  
 18 add to that. We had a couple of months ago, we  
 19 had the first Zoom meeting of the Economic  
 20 Development and the Tourism Board together,  
 21 which was very beneficial. And I hope that we

Page 61

1 do that a couple of times a year to see how the  
 2 left hand is feeding the right hand and vice  
 3 versa.  
 4 And I would echo your comment with regard  
 5 to Cassandra being very, very humble and how  
 6 appreciative, of course, we are of her.  
 7 And next year, please don't plan the Plein  
 8 Air good dinner farm thing for the same night  
 9 as the Council meeting. We were all very  
 10 sorry.  
 11 MS. VANHOOSER: It was a glitch.  
 12 MS. PRICE: I know.  
 13 MS. VANHOOSER: Happens once in every  
 14 seven years.  
 15 MS. PRICE: But no. It's a great event.  
 16 Obviously we were here, sitting here, not  
 17 eating the good food.  
 18 And your pies, how many did you make this  
 19 year?  
 20 MS. VANHOOSER: 180 small individual pies,  
 21 individually packaged to be COVID friendly.

Page 62	Page 64
<p>1 MS. PRICE: Amazing, amazing. Thank you 2 for everything you do. 3 Thank you, Reza. 4 MR. PACK: I will say just one thing, 5 Mr. Callahan. And I hope people here and also 6 at home took notice of that number, 7 \$3.2 million of grants came through this small 8 office with these wonderful ladies back here 9 during the COVID crisis that we were in last 10 year, that we're still in right now. And now 11 we got more money coming our way with the ARRA 12 money coming in. I'm sure we're going to 13 probably looking towards you ladies, again, to 14 help out with that. 15 So thank you very much for all that you 16 did with that money. And again, that went 17 right into local businesses to keep them afloat 18 during a lot of the mandated shutdowns imposed 19 by the State. 20 So thank you very much for that and 21 handling that. And again, I hope since</p>	<p>1 you on your foresight in the happy marriage 2 that you achieved of that important tourism 3 event in Talbot County that we call and love as 4 the Plein Air Festival with the agricultural 5 community, which, of course, is absolutely 6 foundational in the sense of going back to the 7 founding of Talbot County, to our economy. 8 So that was visionary. And I look forward 9 to the impact that that can have as it travels. 10 So thank you for your good work. 11 MS. VANHOOSER: Thank you. 12 MR. CALLAHAN: And I'm going to echo and 13 end it. You guys, all of you guys, you know, 14 you've made a difference in the last couple of 15 years in a lot of people's lives and 16 businesses. So you should be proud of that. 17 That's for sure. You've touched a lot of us. 18 So you've done a great job. 19 And it's a pleasure in the meetings with 20 you. You guys are so professional and your 21 time and your effort to do all that shows. So</p>
Page 63	Page 65
<p>1 (inaudible) business owners realize that this 2 was the team that handled all those funds. 3 That was it. 4 MR. JAFARI: By the way, the meetings of 5 the Economic Development Commission will start 6 as a hybrid from the library on August 5th and 7 will continue. So that's another kind of 8 feather in Cassandra's hat and the rest of the 9 team because now they're coming through the 10 COVID period, we can start the process of 11 offering these meetings and the communications 12 through hybrid format August 5th. 13 MR. PACK: August 5th. 14 MS. VANHOOSER: So we gave a grant to the 15 library to get some (inaudible) technology, 16 which is the 360 camera. So they will have the 17 technology at the library meeting room to have 18 hybrid meetings. 19 MR. PACK: Good. 20 MR. CALLAHAN: Thanks, Mr. Pack. 21 MR. LESHER: I just want to congratulate</p>	<p>1 I really appreciate it. 2 MS. VANHOOSER: Thank you. 3 MR. CALLAHAN: Thank you. 4 MS. VANHOOSER: Thank you all. It was 5 good to see you. 6 MR. PACK: Thank you. 7 MS. PRICE: Thank you. 8 MR. CALLAHAN: Mr. County Manager, you're 9 up. 10 MR. STAMP: Thank you, Mr. Council 11 President, Members of the Council. 12 Under county manager report tonight, we 13 have boards and committee appointments, the 14 first item is requesting your approval to the 15 Economic Development Commission, requesting the 16 appointment of Ken Kozel to fill the at-large 17 seat. 18 MR. PACK: So moved. 19 MS. PRICE: Second. 20 MR. PACK: Madam Secretary, would you call 21 the roll.</p>

Page 66	Page 68
<p>1 SECRETARY: Mr. Callahan.                  2 MR. CALLAHAN: Aye.                  3 SECRETARY: Mr. Leshner.                  4 MR. LESHNER: Aye.                  5 SECRETARY: Ms. Price.                  6 MS. PRICE: Aye.                  7 SECRETARY: Mr. Pack.                  8 MR. PACK: Aye.                  9 MR. STAMP: Parks and Recreation Advisory                  10 Board, we're requesting the Town of Oxford                  11 appointing Kim Kerns.                  12 MR. PACK: So moved.                  13 MR. LESHNER: Second.                  14 MR. CALLAHAN: Madam Secretary, could you                  15 call the roll.                  16 SECRETARY: Mr. Callahan.                  17 MR. CALLAHAN: Aye.                  18 SECRETARY: Mr. Leshner.                  19 MR. LESHNER: Aye.                  20 SECRETARY: Ms. Price.                  21 MS. PRICE: Aye.</p>	<p>1 consideration this evening.                  2 The first is a request from the Department                  3 of Emergency Services to apply for and accept                  4 grant funding from the Maryland 911 Board to                  5 transition the county's 911 service from Legacy                  6 Telephone Service to Next Generation IP                  7 Service.                  8 As you read in your agenda packet, DES is                  9 requesting Council approval to apply for and                  10 accept the grant from the Maryland 911 Board,                  11 formerly known as the Numbers Board, in the sum                  12 of \$669,166.25 to transition the county's 911                  13 service from a Legacy telephone service to Next                  14 Generation IP from AT&amp;T.                  15 No county funding is required.                  16 Procurement is made by way of competitive bid                  17 with nine counties on the Eastern Shore through                  18 an RFP process.                  19 We have both the acting Emergency Services                  20 director, Brian LeCates, with us, as well as                  21 Tommy Haddaway, who leads our technology</p>
Page 67	Page 69
<p>1 SECRETARY: Mr. Pack.                  2 MR. PACK: Aye.                  3 MR. STAMP: So for the Tourism Board, the                  4 Town of Easton is requesting the reappointment                  5 of Ron Engle.                  6 MR. PACK: So moved.                  7 MS. PRICE: Second.                  8 MR. CALLAHAN: Madam Secretary, could you                  9 call the roll.                  10 SECRETARY: Mr. Callahan.                  11 MR. CALLAHAN: Aye.                  12 SECRETARY: Mr. Leshner.                  13 MR. LESHNER: Aye.                  14 SECRETARY: Ms. Price.                  15 MS. PRICE: Aye.                  16 SECRETARY: Mr. Pack.                  17 MR. PACK: Aye.                  18 MR. STAMP: The next item I have, I'll                  19 call the acting director of Emergency Services                  20 forward, please.                  21 I have two items for Council's</p>	<p>1 services. They can add any additional                  2 information or answer any questions.                  3 MR. CALLAHAN: Good evening, guys.                  4 Welcome.                  5 MR. LeCATES: Good evening.                  6 MR. CALLAHAN: Appreciate it.                  7 MR. LeCATES: Thank you for having us                  8 here.                  9 So this is a request that this will be in                  10 addition to or a carryover from a request that                  11 came through in 2019, actually Mr. Stamp                  12 presented to you, where all nine counties of                  13 the Eastern Shore had banded together and hired                  14 an outside consultant that had expertise in the                  15 field of Next Generation 911 and the technology                  16 that goes along with it. And we've since made                  17 that collaboration with all the counties.                  18 Queen Anne's County was our fiduciary                  19 county that runs the Numbers Board, State                  20 Numbers Board, requested funding for the                  21 consultant. And they have written our RFP.</p>

Page 70

1 They've assisted counties in the scoring of the  
 2 RFP.  
 3 All nine counties are in agreement to  
 4 award that to AT&T as they did the best job  
 5 with the RFP. And they would be a Next  
 6 Generation 911 supplier for our future.  
 7 So that's what we're here for this  
 8 evening, is really requesting permission to go  
 9 to the Numbers Board and request the amount of  
 10 \$669,166.25 of all State money to move forward  
 11 with this project.  
 12 The breakdown of that is about 155,000 is  
 13 in construction. So we're going to be bringing  
 14 additional fiber lines into our 911 Center.  
 15 And then 102,000 annually times five years for  
 16 the service.  
 17 MR. CALLAHAN: Okay.  
 18 MR. PACK: I'll make the motion.  
 19 MS. PRICE: Second.  
 20 MR. CALLAHAN: Okay. Madam Secretary  
 21 could you call the roll.

Page 71

1 SECRETARY: Mr. Callahan.  
 2 MR. CALLAHAN: Aye.  
 3 SECRETARY: Mr. Leshner.  
 4 MR. LESHNER: Aye.  
 5 SECRETARY: Ms. Price.  
 6 MS. PRICE: Aye.  
 7 SECRETARY: Mr. Pack.  
 8 MR. PACK: Aye.  
 9 MR. STAMP: Only other thing I'll add.  
 10 Thank you, Council, for that. And just want to  
 11 recognize Tommy Haddaway for his leadership not  
 12 only with Talbot County, but helping with the  
 13 other counties to do this project.  
 14 It was very unique because, as you know,  
 15 the Delmarva Peninsula can be somewhat isolated  
 16 because of the Chesapeake Bay. And so it was  
 17 really imperative that we collectively got  
 18 together to address the ability to have  
 19 redundant feeds so that we don't have a loss of  
 20 911 services.  
 21 And Tommy was acutely aware of that and

Page 72

1 really went above and beyond. So just want to  
 2 recognize him for that. Thank you, Tommy.  
 3 MR. HADDAWAY: Thank you.  
 4 MR. STAMP: The next item I have is a  
 5 request from the Department of Emergency  
 6 Services to apply for and accept grant funding  
 7 to the Maryland 911 Board for cybersecurity  
 8 monitoring for the emergency services Next  
 9 Generation 911 network.  
 10 As you read in your packet, DES is  
 11 requesting, Council, to apply for and accept  
 12 the grant in the amount of 327,000 for  
 13 cybersecurity monitoring.  
 14 And again, this is an extension of an  
 15 existing contract that was originally  
 16 piggybacked on the St. Mary's County contract.  
 17 And we're asking Council approval to extend the  
 18 contract with the company.  
 19 And again, I'll hand it over to Brian or  
 20 Tommy to answer any questions you might have.  
 21 MR. LeCATES: So this is, again, just an

Page 73

1 extension. It is over five years. And no  
 2 county funding. I just want to emphasize that.  
 3 This is just allowing us to go to the Numbers  
 4 Board and request the funding for it.  
 5 MS. PRICE: I always like it when they say  
 6 no county funds.  
 7 So with that, I'll make a motion.  
 8 MR. LeCATES: It's the most important  
 9 sentence in here.  
 10 MS. PRICE: It is. So I'll make a motion  
 11 to accept.  
 12 MR. PACK: Second.  
 13 MR. CALLAHAN: We got a motion and a  
 14 second. Madam Secretary, could you call the  
 15 roll.  
 16 SECRETARY: Mr. Callahan.  
 17 MR. CALLAHAN: Aye.  
 18 SECRETARY: Mr. Leshner.  
 19 MR. LESHNER: Aye.  
 20 SECRETARY: Ms. Price.  
 21 MS. PRICE: Aye.

Page 74

1 SECRETARY: Mr. Pack.  
 2 MR. PACK: Aye.  
 3 MR. LESHER: My sense is that regardless  
 4 of whether county funding was required, this is  
 5 important and we should fund it anyway.  
 6 MR. LeCATES: It's absolutely important,  
 7 yes. Just look at the news one day and you'll  
 8 know why it's so important to us. Thank you  
 9 all.  
 10 MR. STAMP: And finally, as they get ready  
 11 to retire, I'm looking forward to the next  
 12 Council meeting to introduce the next emergency  
 13 services director, who will begin on April.  
 14 I'm sorry. That's good. August 2nd. So the  
 15 next director will be in. We're excited about  
 16 that. Brian and Tommy are also excited. We'll  
 17 introduce him to Council next meeting.  
 18 MS. PRICE: Excellent.  
 19 MR. CALLAHAN: I want to piggyback on  
 20 that. You guys and Brian, I really appreciate  
 21 the last year or so. I know things -- you've

Page 75

1 run the ship here a couple of times, and you've  
 2 done a phenomenal job.  
 3 MR. LeCATES: Thank you, sir.  
 4 MR. CALLAHAN: And...  
 5 MR. LeCATES: It's been my pleasure. It's  
 6 been fun.  
 7 MR. CALLAHAN: I can't thank you enough  
 8 for doing that because that's a big job,  
 9 especially through the pandemic and all that  
 10 kind of stuff.  
 11 So you've done an excellent job for the  
 12 county. And it's a pleasure to have a good --  
 13 if this other gentleman comes in here and  
 14 you're going to be a phenomenal second guy. It  
 15 can help him through some of the things he's  
 16 going to be accustomed to here and you'll be  
 17 able to help him through that. And I really  
 18 appreciate that.  
 19 MR. LeCATES: Absolutely. Looking forward  
 20 to having him on board.  
 21 MR. CALLAHAN: Yup.

Page 76

1 MR. STAMP: Thank you. So this completes  
 2 the county manager report for the evening.  
 3 Thank you all very much.  
 4 MS. PRICE: Thanks, Brian. Thanks, Tommy.  
 5 MR. LeCATES: Thank you all. Have a good  
 6 evening.  
 7 MR. HADDAWAY: Thank you.  
 8 MR. PACK: Tommy, what's going on with  
 9 this?  
 10 MR. HADDAWAY: Recovering.  
 11 MR. PACK: Okay, all right.  
 12 MR. CALLAHAN: While Ms. Morris goes gets  
 13 the sheet, we've got public comment coming up  
 14 here. So we'll get the sheet, and that way you  
 15 guys can come on up here and talk to us.  
 16 MR. LESHER: You want to start with the  
 17 usual announcements?  
 18 MR. CALLAHAN: Yes. Would you, please.  
 19 MR. LESHER: Public comment is an  
 20 opportunity for members of the public in  
 21 attendance to address the Council regarding any

Page 77

1 county matter.  
 2 Any member of the public desiring to be  
 3 heard by the Council shall raise their hand and  
 4 wait to be recognized by the Council president.  
 5 Once recognized, that person shall state their  
 6 name and address and then direct their comments  
 7 to the Council as a body, not to individual  
 8 Council members or to other members of the  
 9 public.  
 10 Each speaker shall be permitted to speak  
 11 no more than three minutes. Those speaking on  
 12 behalf of an organization shall be given up to  
 13 five minutes, unless otherwise authorized by  
 14 the Council president.  
 15 Speakers are expected to be courteous and  
 16 respectful. Personal, impertinent, or  
 17 slanderous comments shall not be tolerated.  
 18 And we have a sign-up sheet. And we've  
 19 got a couple of names here. It appears the  
 20 first one is Mark Ebersburger of Easton.  
 21 MR. CALLAHAN: Good evening.

Page 78

1 MR. EBERSBURGER: Good evening.  
 2 MR. CALLAHAN: If you could say your name  
 3 and where you're from, sir, I appreciate it.  
 4 MR. EBERSBURGER: My name is Mark  
 5 Ebersburger. I live at 8243 Easton Village  
 6 Drive in Easton Village in Easton. And my  
 7 comments concern the Talbot Boys Monday. I  
 8 will be brief.  
 9 I want to share with you a few quotes that  
 10 I think concern the basis for the Talbot Boys  
 11 Confederate monument. I will warn you that one  
 12 quote will contain a word that should grate on  
 13 your conscience and your soul, but I say it  
 14 just for that purpose.  
 15 The first is a quote by 11-year-old  
 16 Rebecca. And it is move the monument because  
 17 you shouldn't be proud of slavery. Quite  
 18 profound for 11-year-old, but shouldn't be for  
 19 a thinking adult.  
 20 The second quote was uttered to Charles  
 21 Dickens when he visited the United States

Page 79

1 during the lifetime of the Talbot Boys. It was  
 2 from a southern gentleman. This southerner  
 3 said to Mr. Dickins, and I quote, by God, sir,  
 4 the niggers must be kept down and the whites  
 5 that put down the colored people, wherever they  
 6 have found them.  
 7 I think that it was the reliance on this  
 8 belief that motivated the Talbot Boys to  
 9 willingly put their lives in harm's way to join  
 10 the Confederate Army.  
 11 I also think it was the adherence to this  
 12 belief that motivated the erection of the  
 13 Talbot Boys monument. An 11-year-old can  
 14 clearly see the fallacy in such a belief.  
 15 Now the remaining question is what do you  
 16 believe?  
 17 If you're religious, I have one last  
 18 quote. And a child shall lead them. Thank  
 19 you.  
 20 MR. CALLAHAN: Thank you.  
 21 MR. LESHER: Our next signer is Keith

Page 80

1 Watts.  
 2 MR. WATTS: Good evening.  
 3 MR. CALLAHAN: Good evening.  
 4 MR. WATTS: Before I begin, let me thank  
 5 you all for your service.  
 6 There's really two things I want to  
 7 discuss.  
 8 MR. CALLAHAN: Mr. Watts, if you could  
 9 tell who you and where you're from.  
 10 MR. WATTS: Yes. My name is -- thank you.  
 11 MR. CALLAHAN: Yup.  
 12 MR. WATTS: Mr. President.  
 13 MR. CALLAHAN: Yup.  
 14 MR. WATTS: Keith Watts, 5800 Tilghman  
 15 Beach Drive, Tilghman Island, a small island  
 16 off the coast of the Chesapeake Bay, Maryland.  
 17 There's really two things I want to touch  
 18 on.  
 19 One is public transparency. I think that  
 20 you've all done an extraordinary job through  
 21 the pandemic allowing public participation.

Page 81

1 But now, we're back to only those people who  
 2 can come here physically. I just heard  
 3 Cassandra talk about we just had Zoom meetings,  
 4 different committees getting together.  
 5 People were able to call in and  
 6 participate in something that they felt was  
 7 very, very important to them. Now, we might  
 8 not always want to hear what they have to say.  
 9 I understand all that. We all have differences  
 10 of opinion, and we're very passionate about  
 11 things.  
 12 But for the Council to seemingly, and  
 13 maybe this is just an oversight, sort of  
 14 backtrack and not allow call-ins and only allow  
 15 in-person participation is worrisome. And I  
 16 say this because the CDC is about to issue  
 17 guidelines that require masking again indoors,  
 18 which is the reason I'm wearing this mask.  
 19 Otherwise, you'll see my sunny (inaudible).  
 20 So I think it's something that I would ask  
 21 with all due respect that the Council think

Page 82	Page 84
<p>1 about, reinstating the ability for the people</p> <p>2 of Talbot County to participate. And that way</p> <p>3 you can hear from them, and they can hear from</p> <p>4 you because they won't get this until tomorrow.</p> <p>5 Now, the second thing I want to talk about</p> <p>6 is, of course, the first speaker's favorite</p> <p>7 topic there, was the Talbot Boys.</p> <p>8 As you know, there was a decision that</p> <p>9 came down in Roanoke, Virginia, our sister</p> <p>10 state. And the judge, I'm going to read a</p> <p>11 couple of excerpts from his letter because I</p> <p>12 think they are incredibly powerful.</p> <p>13 Approximately two weeks ago, I looked out</p> <p>14 my window in the courthouse and saw a young</p> <p>15 woman, who appeared to be African American,</p> <p>16 walk by the statue of the Confederate on Main</p> <p>17 Street. She turned right on College Avenue.</p> <p>18 And without breaking her stride, looked up at</p> <p>19 that statue and then looked down immediately</p> <p>20 and began shaking her head.</p> <p>21 While I cannot accurately describe her</p>	<p>1 The meaning conveyed by this statue to its</p> <p>2 proximity to this courthouse and being on the</p> <p>3 county property is completely unethical to the</p> <p>4 proper administration of justice.</p> <p>5 And so I ask you all respectfully why is</p> <p>6 it still here? Thank you.</p> <p>7 MR. CALLAHAN: Thank you, Mr. Watts.</p> <p>8 MR. LESHER: Mr. President, those are all</p> <p>9 who signed up in advance for public comment.</p> <p>10 MR. CALLAHAN: Thank you, Mr. Vice</p> <p>11 President.</p> <p>12 So yes, sir.</p> <p>13 MR. MONTGOMERY: I apologize for not</p> <p>14 signing up. I arrived a little bit late. I'm</p> <p>15 going to see if I'm capable of talking and</p> <p>16 holding up a sign at the same time.</p> <p>17 MR. CALLAHAN: Yes, sir. If you could</p> <p>18 just state who you are and where you're from.</p> <p>19 I appreciate it.</p> <p>20 MR. MONTGOMERY: I'm David Montgomery. I</p> <p>21 live in Cookes Hope in Easton.</p>
Page 83	Page 85
<p>1 reaction as anger, disgust, bewilderment,</p> <p>2 confusion, or any other emotion, given the</p> <p>3 brief nature of the observation, almost any</p> <p>4 emotion encompassed within her reaction had to</p> <p>5 be a response to the simple question why.</p> <p>6 The same question of why is one that I've</p> <p>7 had frequently to me by the public, lawyers,</p> <p>8 and members of our constituencies working</p> <p>9 within the county courthouse. A decent respect</p> <p>10 for you and the Board of Supervisors requires</p> <p>11 my explanation, an explanation.</p> <p>12 My conclusion is that the continued</p> <p>13 presence of this monument in its present</p> <p>14 location interferes with the administration of</p> <p>15 justice in the county.</p> <p>16 MR. CALLAHAN: Mr. Watts, could you wrap</p> <p>17 it up for us? I appreciate it.</p> <p>18 MR. WATTS: Certainly. Symbols convey the</p> <p>19 power of (inaudible). No one would suggest the</p> <p>20 Confederate flag or a monument has any place in</p> <p>21 a courtroom or in this room.</p>	<p>1 MR. CALLAHAN: Okay.</p> <p>2 MR. MONTGOMERY: What I wanted to present</p> <p>3 you today is the results of a poll which came</p> <p>4 out about two weeks ago. It was done by two</p> <p>5 independent news organizations, Morning Comment</p> <p>6 and Politico. It's a nationwide poll, about</p> <p>7 2,000 respondents, plus or minus two percent</p> <p>8 errors on the numbers that they produced.</p> <p>9 What it shows is that less than one-third</p> <p>10 of Americans want to see statues of Confederate</p> <p>11 leaders removed. Over -- about 51 percent, a</p> <p>12 slim but clear majority, said that they want</p> <p>13 those statues to remain.</p> <p>14 Interestingly, it shows that, a little</p> <p>15 more detail, that among independents there has</p> <p>16 been a substantial increase in the number who</p> <p>17 support keeping the Confederate statues in</p> <p>18 place. And it's almost all come from those who</p> <p>19 have made up their minds and moved from the</p> <p>20 undecided category to favoring category.</p> <p>21 I think there's a reason for that. I</p>

Page 86

1 think that the center is becoming increasingly  
 2 tired of the cancel culture, of the efforts to  
 3 deny us the opportunity to see the monuments  
 4 and memorials of American history, are getting  
 5 tired of efforts to substitute the 1619 project  
 6 with its false narratives about the founding of  
 7 the country for the accurate history of how  
 8 this great nation came to be.

9 Looking at these numbers, that a majority  
 10 nationwide does not want to see statues,  
 11 Confederate statues removed and reflecting, as  
 12 you can see, several reasons why these numbers  
 13 would underestimate the support for keeping the  
 14 Talbot Boys. I wonder why it is that all I  
 15 hear from the supporters from those, Move the  
 16 Monument, those who want the statue to be  
 17 removed is that those who support it are  
 18 racists, are white supremacists. I was even  
 19 accused of wanting to support the Ku Klux Klan,  
 20 which is kind of ironic because the Klan  
 21 actually was targeting Catholics during the

Page 87

1 period, which I am, during this period when the  
 2 Talbot Boys were erected.

3 My point is that we are -- that the  
 4 argument for taking down the Talbot Boys statue  
 5 does not address the admittedly controversial  
 6 but certainly a history that has two sides  
 7 about why it was erected, about why those boys  
 8 went to fight. And I'm not going to make you  
 9 sit here listening to that argument once again.

10 But I am still shocked that so many of  
 11 those who want to move the monument seem to  
 12 think that their neighbors who want to keep it  
 13 are evil and they're implying that probably  
 14 there's a 50/50 chance the person standing  
 15 beside them in Acme is one of those evil  
 16 people.

17 I won't go into the reasons why I think  
 18 that -- just one reason why I think this  
 19 probably, these numbers probably underestimate  
 20 the support for something like the Talbot Boys.  
 21 The statue is not of a leader. It's not a

Page 88

1 monumental equestrian statue dominating the  
 2 landscape. It's a young rebel carrying his  
 3 colors, they're furled in -- the memorial is  
 4 about local men with family ties that still  
 5 exist. Certainly not there to honor the much  
 6 maligned Confederate flag. You can barely see  
 7 it in its furled position of surrender.

8 And I guess on top of that just one other  
 9 observation that --

10 MR. CALLAHAN: Mr. Montgomery, could you  
 11 get ready to wrap it up? I appreciate it.

12 MR. MONTGOMERY: One more sentence.

13 Polling traditionally underestimates the  
 14 number of conservatives and their opinions.  
 15 Traditional reason is that conservatives don't  
 16 like to answer polls.

17 But in this case, we know that there's a  
 18 strong fear of expressing support for the  
 19 Talbot Boys because of the worries about social  
 20 ostracism and reaction of neighbors. So I  
 21 think we have the majority in support of

Page 89

1 keeping the Talbot Boys.

2 I challenge those of Move the Monument,  
 3 not to try to force a decision to yield to a  
 4 small minority or to the few that are  
 5 perpetually offended. I challenge them to  
 6 let's just wait and put it to a referendum.  
 7 I'm confident there's a majority, but I'm  
 8 willing to wait and see what the voters say.

9 Thank you for your indulgence.

10 MR. CALLAHAN: Thank you, Mr. Montgomery.  
 11 Okay. Yes, ma'am. Come on up.

12 MS. LIEBL: I apologize. I walked in and  
 13 forgot to sign up. I'm sorry.

14 MR. CALLAHAN: We'll let you go this time.

15 MS. LIEBL: Thank you. My name is Kathy  
 16 Liebl. I live at 402 Goldsborough Street in  
 17 Easton.

18 I was here probably about a month ago. I  
 19 was also here at your last meeting. I chose  
 20 not to speak. So I decided I would take the  
 21 opportunity this time to address some issues.

Page 90	Page 92
<p>1 Before I start the few words that I wrote                  2 down, I find that the Move the Monument                  3 representatives are frequently misquoted. And                  4 so I would just like you to keep in mind that                  5 many things that are said are coming out of our                  6 mouths that are not coming out of our mouths.                  7 And so I would appreciate just having a filter                  8 when you're listening.                  9 For me, it's important that you know                  10 moving the monument won't erase history. It is                  11 recognizing it is no longer appropriate for                  12 this statue to be in a place of honor in front                  13 of our courthouse.                  14 Those who still feel it's appropriate to                  15 honor those who fought against our nation can                  16 do so elsewhere.                  17 Moving the monument also lets all the                  18 citizens of Talbot County and elsewhere on the                  19 Eastern Shore know that this Council recognizes                  20 the need to represent all of the Council's                  21 citizens.</p>	<p>1 officials for supporting that.                  2 We know that local firemen have been hit                  3 tough when it comes to fundraising through the                  4 pandemic. So I'm sure this money will come in                  5 handy for them.                  6 That's all I have to say.                  7 MR. CALLAHAN: Okay. Thank you, Mr. Pack.                  8 Ms. Price.                  9 MS. PRICE: I'm good this evening.                  10 Nothing further. Thank you.                  11 MR. CALLAHAN: Mr. Vice President.                  12 MR. LESHHER: Just one brief question.                  13 Should issues of justice be decided by the                  14 will of the majority or should matters of                  15 justice be decided on the basis of                  16 constitutionally guaranteed freedoms?                  17 That's all I have.                  18 MR. CALLAHAN: Thank you, Mr. Vice                  19 President.                  20 I'm going to wrap it up by saying tonight,                  21 it was a privilege to have two gentlemen here</p>
Page 91	Page 93
<p>1 Thank you.                  2 MR. CALLAHAN: Thank you. Appreciate it.                  3 Anybody else would like to come up and say                  4 anything? Okay.                  5 So we'll move on. Thanks a lot for coming                  6 tonight and speaking in front of us. Really                  7 appreciate it.                  8 So next is Council comments. Mr. Pack.                  9 MR. PACK: Yes. Thank you, Mr. Callahan.                  10 I'll be brief.                  11 Received an e-mail the other day. And                  12 just wanted to recognize Senator Cardin, Van                  13 Hollen, and Congressman Steny Hoyer for their                  14 support of \$1 million of funding to local fire                  15 departments around the State here in Maryland.                  16 Got a printout here of dollars that are                  17 going to Trappe, Tilghman, St. Michaels,                  18 Easton, and Oxford. In total, Talbot County                  19 will receive some \$120,000. This is through                  20 the American Rescue Plan. And just want to                  21 thank those elected officials, federal elected</p>	<p>1 tonight that saved a life. And that's what we                  2 all strive for.                  3 Instantly they responded to a plane crash                  4 and made a difference in a family's life and a                  5 person. And that's what we're all here for.                  6 So I want to commend them guys.                  7 And I want that to be a lesson to                  8 everybody to get involved to help people.                  9 That's what we're all here for to do. And not                  10 to sit back, not to watch. But when something                  11 happens, get involved, help somebody, make a                  12 difference in somebody's life.                  13 End with that.                  14 Thanks a lot, everybody. And I'm going to                  15 let the vice president wrap everything up                  16 tonight with closing session.                  17 MR. LESHHER: The County Council's next                  18 meeting will be held on Tuesday, August 10th,                  19 beginning at six o'clock p.m. The Council will                  20 be convening in open session at 4:30 p.m. and                  21 immediately adjourning into closed session to</p>

1 discuss real estate, legal, and personnel  
 2 matters, as listed on the statement for closing  
 3 that meeting.  
 4 On Tuesday, August 3rd, at four o'clock  
 5 p.m., the Council will be meeting with Maryland  
 6 Association of Counties' president, Wilbur  
 7 Levensgood, and MACo executive director, Michael  
 8 Sanderson, here in the Bradley Meeting Room to  
 9 discuss the upcoming State legislative session.  
 10 Therefore, is there a motion and a second  
 11 to adjourn tonight's meeting and reconvene as  
 12 noted?  
 13 MS. PRICE: So moved.  
 14 MR. PACK: Second.  
 15 MR. CALLAHAN: You got a motion and a  
 16 second. Madam Secretary, could you call the  
 17 roll.  
 18 SECRETARY: Mr. Callahan.  
 19 MR. CALLAHAN: Aye.  
 20 SECRETARY: Mr. Leshner.  
 21 MR. LESHNER: Aye.

1 STATE OF MARYLAND  
 2 I, Diane Houlihan, a Notary Public in and  
 3 for the State of Maryland, County of Anne Arundel,  
 4 do hereby certify that the within named, Talbot  
 5 County Council Audio, personally appeared before me  
 6 at the time and place herein set according to law,  
 7 was interrogated by counsel.  
 8  
 9 I further certify that the examination was  
 10 recorded stenographically by me and then transcribed
